

# Moose Hotline

June 2019 Issue

## ATTENTION ALL LOOM MEMBERS!!!

Members have petitioned the lodge to have a vote, which requires the Lodge to hold a special meeting. This will be held on **Monday, June 15th at 6:00** to discuss the Lodge purchasing a tractor.

You'll be required to show your membership card prior to voting. This will be done by paper ballot and the results will be announced at the LOOM membership meeting immediately after closing and counting the ballots.

*Please attend and make your voice heard!*

*Endowment fund will be collected!*

### Governor's Corner

Thanks to all who have stepped up and volunteered to help work the gate, be looking for flyers pertaining to arm bands and guest privileges. We are working diligently on multiple projects within campground and lodge. Another new AC unit has been installed in the social quarters.

Meeting attendance is on the up tick but would love to see more members. On a general note, please, if you have time ask what you can do to help around lodge. A lot of events are already planned for the summer. Please help sponsor our youth and teen fundraisers.

This year's Annual Membership Campaign is Create Our Future, which runs from May 1, 2019 to April 30, 2020. Last year our membership campaign allowed lodges, chapters and Moose Legions the opportunity to select a Mission close to their heart, supporting our children at Mooseheart, our seniors at Moosehaven and our local communities. This year we focus on our future as a fraternity. We need members to sponsor their family and friends into the Order, making sure that we continue to grow and prosper, allowing us to continue to help those in need.
