Let's do our job when we sponsor a member and tell them about the Moose, the big picture, Mooseheart and Moosehaven and Community Service – the reason the Moose exist. We have started the orientation program back up. Many of you are familiar with this but the new members may not know what this is about. This is a time to learn about the Moose, rules and programs of the Marion Moose Family Center. If you have questions or in a position of being able to volunteer, this is your chance to talk someone. When you understand the Moose and the reason behind collecting endowment fund, the 9 o'clock pray or why the campsites go in male members names, and much more then you make better members and will feel more comfortable participating. We encourage sponsors to come with the people they sponsor. We are fortune to have lake front property, campground, social club and kitchen that host multiple functions monthly. We've got to keep members from going out the back door. Please take extra time; fill out application properly with email address. Explain Moose International web site, NCMA web site and Marion site where they can learn all the functions of the Moose.

The calendar is very full; we work hard to have items for all. The lodge and kitchen needs the support of membership. We're a business and must run that way to operate. Remember with out the Social Quarters, there is NO campground.

Lot rent is due very soon, we have ATM located in Social Quarter. If paying your lot rent with credit card, we have to charge you fee of \$1.00 per hundred. Accepting cards is a business, but it cost the lodge a lot of excess charges.

Governor's Corner

Fall of the year is now in full swing, and with it brings freezing temperatures. I would like to remind everyone with campsites to make sure your campers are winterized to prevent ruptured water lines. Also, please do not leave campfires unattended.

November is membership retention month. Too often new members join and forget to pay their dues or just don't return. We'll be making some calls to reach out to these members and I ask that you speak to new members you have sponsored to make sure they're current.

Lastly, the sports committee will be holding a turkey shoot each Saturday throughout the month raising funds for Kids Christmas so come out and support these events. Additionally, it is important that all vehicles parked on the right side of the building be removed prior to Saturday morning because this area is used for the turkey shoot. Any vehicles present in that area on Saturday morning will be towed away.

We had a decent turn out for our October evening! Food little short, but great social. Let's keep the trend moving forward. Our next evening will be November 8th at 6:30 - Thursday Prior to Veterans evening. The October celebration in Gastonia was a good one and hate to report no ticket winners.

Why pay extra to be a Moose Legionnaire? Here are a few items our dues go towards: sponsor the \$30,000 Youth Awareness Scholarships, help with camp Ross and we were able to buy vans for the Mooseheart campus. The Moose legion is the service degree and hope you will continue to stay a legionnaire and take bigger part on a local level. Thanks for your service and come out and get involved, in any area you can.

A service of tribute will be made available to the family of any deceased brother Moose. To arrange for this you need only to contact the Lodge with the funeral home, time and day. Evening service for this tribute would allow a greater number of the brothers to be present. There is a graveside service in lieu of religious rites available. If this is desired, follow the above procedure.
