WOTM dues will synchronize with the LOOM. This means that the women will now pay the same amount for dues as the men and be able to vote on lodge issues starting May 1 of this year.

Everyone needs to make sure to keep their dues current but for women that are not current when the roll over takes place will have to re-enroll at the higher annual dues rate. You will also loose all the past time you have in the Moose and will start as a new member. After May 1 all members (male and female) will pay the same \$65 annual membership. **To offer assistance and answer questions on this major change, there will be meeting on March 18 and April 1 from 6:00—8:00. We will offer in person and call in questions. WOTM dues must be current for the transition into One Moose otherwise they will have to go through the enrollment process becoming a NEW member. During this time they will loose the right to be on property until voted on by the membership.**
