Coming May 1, 2021

WOTM dues will synchronize with the LOOM. This means that the women will now pay the same amount for dues as the men and be able to vote on lodge issues starting May 1 of this year.

Everyone needs to make sure to keep their dues current but for women that are not current when the roll over takes place will have to re-enroll at the higher annual dues rate. You will also lose all the past time you have in the Moose and will start as a new member. After May 1 all members (male and female) will pay the same \$65 annual membership.

Pay 65.00 dues fee and lose 3 years of WOTM dues that were gifted with the roll over. Your membership status will rollover in status of WOTM membership you are current in, Active – Expired – Dropped – Terminated. Any Terminated member must reenroll and pay application fee. Dropped members can pay dues up and continue with records received in the Moose, also expired members can pay dues and continue with membership. Active members will rollover active and get 3 years WOTM dues gifted from international. If dropped or expired you will have to pay One Moose dues of \$ 65.00, plus additional \$ 15.00 Wotm dues to have rights to degrees, sit on a board etc, just like the Men (LOOM) must pay one moose dues and additional \$ 20.00 Moose Legion dues to retain degrees and sit on a board etc. New Bylaws and General Laws are in print and looking to make this One Moose a smooth role over. Please understand and be patient as we move forward together. **One Moose Dues must be current to be on property, with the NO Guest rule will be enforced.**
